WOODEN MONEY MEETING AT O.N.A. CONVENTION:

On Saturday April 13th, the **Southern Ontario Chapter of CAWMC** once again held a meeting at the annual Ontario Numismatic Association 2002 convention in London, Ontario. Many of the people attending were from the Toronto area but others came from Ottawa, Waterloo, Barrie, Georgetown, Guelph, Arthur and Highspire, Pennsylvania, U.S.A. Several door draw prizes were given out over the course of the meeting and the seven woods made for this convention (shown on page 3 of this newsletter) were handed out to everyone in

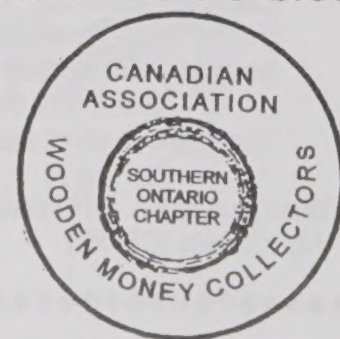

attendance. Norm Belsten conducted the business portion of the meeting and also the auction.

Norm had on display a 'rough copy' of his **Ontario Wood Picture Catalogue**. This thick book is an impressive piece of work, done by Norm, which shows the picture and all the information for each Ontario wood for which a copy has been found and made available to Norm to photograph. Norm will be taking this 'rough copy' book to put on display at the Canadian Numismatic Association convention to be held in Vancouver in July 2002. Norm is taking orders and will produce only enough copies to cover orders taken.

Norm also had for sale, at \$6.50 Canadian, a **Canadian Wood Listing 2002 Update Supplement**. This supplement was mentioned in last month's newsletter (page 2) and lists all known woods issued since the last supplement of year 2000. People who are interested in ordering either this new 2002 update listing or the Ontario Picture Catalogue, should contact Norm at 86 Hamilton Drive, Newmarket, ON, Can. L3Y 3E8. Norm, being an expert with the computer, can also provide you with this information and the wood pictures on 3 1/2 inch floppy disc. *Contact Norm with your needs.*

Many other woods also surfaced and were distributed at this meeting. All of these are or will be shown eventually in this or a future newsletter. Some excellent auction lots went on sale and the proceeds from it and the door draw tickets put approximately \$40.55 into the S.O.C. account.

Very few 'woods' were found on the bourse floor of this convention but to many of us 'woodies' it was still considered a very successful trip to London, Ontario. Thanks to CAWMC member Bob Brown, who came up from Pennsylvania, and who brought along many of his extra trader woods to offer, your editor and several others came home with a few hundred new woods each, to add to their collections.

ERIC JENSEN'S NEWFOUNDLAND & LABRADOR WOOD LISTING ADDITION:

CAWMC member **Eric G. Jensen** from St. John's, Newfoundland, "The Rock - Far East Of The Western World", as Eric describes it, has sent along three more pages of his Newfoundland and Labrador Wood Listing. These pages are shown on pages four, five and six of this newsletter.

Pages ten and eleven show woods from this province which have been compiled by Eric since the first nine pages were published by Eric and shown in previous Timber Talk newsletter issues (May 2000, June 2000, August 2000, September 2000).

Page 'A' is included and shows some "Souvenir - Type" Newfoundland and Labrador woods which are also of interest to some 'wooden money' collectors.

Many thanks for your efforts in collating and providing this information for our members, Eric. Eric can be contacted at 27 Hazelwood Crescent St. John's, Newfoundland A1E 6B3 E - mail: ejensen@nfld.com

Eric has sent along to me this month's free wood. He indicates that these woods were made available by Mark Callahan of Mount Peal, Newfoundland and that Mark is responsible for most of the new Newfoundland woods.

FREE WOOD OF THE MONTH

As indicated above, Eric Jensen from St. John's Newfoundland has sent along this month's free wood. One thousand of these woods were issued in St. John's in 1998. The wood is catalogued in Eric's Newfoundland and Labrador Wood Listing on page three. The wood is black and red on both sides.

The wood was shown in 'Timber Talk' in June 2000 on page six.

Thanks for this wood, Eric.

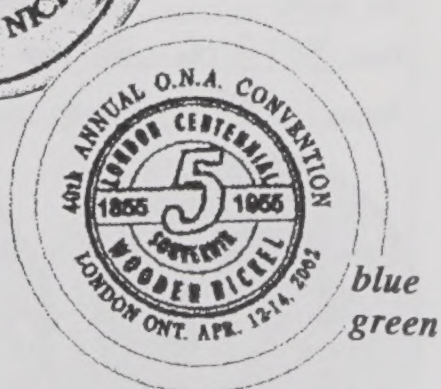

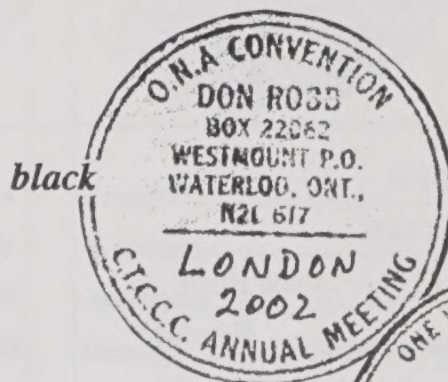

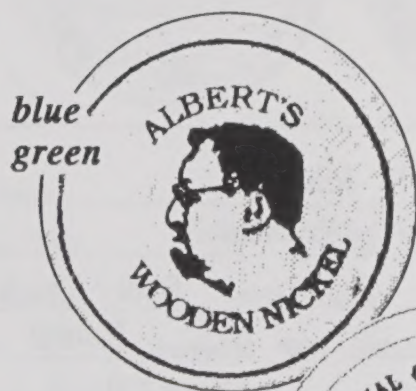

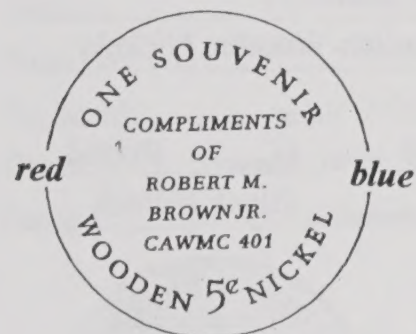

ONTARIO NUMISMATIC ASSOCIATION 2002 CONVENTION WOODS:

The seven woods shown here were issued specifically for this 2002 convention, held in London, Ontario, and were distributed at the wooden money meeting of the **Southern Ontario Chapter of CAWMC**. All woods are shown in actual size.

Colours are also indicated with the obverse on the left and the reverse on the right. Don Robb made his own wood. Norm Belsten made one hundred each of the remaining six woods. I'm sure these woods can be obtained for a SASE from any of the issuers.
